**Future Academy®'s
Multidisciplinary Conference 2015
Final Scientific Program**

Future Academy®'s Multidisciplinary Conference met in **Istanbul** on **13-17 October 2015**. This multidisciplinary conference also serves to celebrate the 8th anniversary of Future Academy, formerly known as Cognitive C-crcs Counseling, Research & Conference Services. Participants attended individual conference and congress presentations as well as multidisciplinary presentations.

This multidisciplinary conference presented an opportunity for members of the several academic communities—researchers, professors, teachers, practitioners, and vendors—to gain new knowledge and skills, to interact, and to share research findings in Presentations, abstracts and complete papers, will be published in the proceedings of each conference.

Multidisciplinary Conference is organized by
